

Lomita Church Revival Starts Here on Sunday

Sunday marks the beginning of an eight-day revival at the Narbonne Avenue Southern Baptist Church of Lomita. The preacher for this event will be the Rev. Robert D. Hughes, pastor of the First Southern Baptist Church of Long Beach. Pastor Hughes is from Hot Springs, Ark.

He has, however, been pastor in California since 1948. The visiting speaker is scheduled to speak at the 8:30 a.m. and 7:30 p.m. services this Sunday. The Pastor Robert A. Wells will speak at the 11 a.m. service.

Week night services will begin at 7 p.m. The church nursery will be provided for children three years and under. Edwin T. Isbell will be music director for the revival.

Senator Engle On Committee To Study Aging

Senator Clair Engle (D-Calif.) has been named to new U. S. Senate Special Committee on Aging charged with intensifying investigation of the full range of problems of older people.

"We are going to expand work on problems of America's 16 million citizens who are 65 years of age or older by concentrating effort in one Committee which will view these problems as a whole," Senator Engle said.

He explained that heretofore various committees of the Senate have handled different problems of older people on a piecemeal basis, without a ny over-all attention to the relationship between one problem and another.

SENATOR ENGLE said, "The work of this new Committee will be of particular interest to California where so many of our older people reside."

"Our committee will focus on detailed surveys of health—including basic research on disabilities, general health and medical care, employment and pensions, housing, education and other areas," he said.

The nine-man Special Committee on Aging will continue and expand the scope of the work in which Senator Pat McNamara's Sub-committee on Problems of the Aged and Aged-in has been engaged for two years.

SENATOR McNamara has been named chairman of the new committee as well. It will provide a major resource for various standing committees which will continue to handle specific legislation.

Other members, in addition to Senator Engle, are Senators George Smathers, Harrison Williams Jr., Oren E. Long, Maurine Neuberger, Everett Dirksen, Barry Goldwater and Norris Cotton.

"The Trustworthiness of the Bible," will be the subject of Sunday's sermon.
